CENTRAL INTELLIGENCE AGENCY

OFFICE OF REPORTS AND ESTIMATES

Project Initiation Memorandum

Date: 3 November 1956

To: D/No

From: Publications Division, Projects Planning

Subject: Sweden's Military Procurement Problem

Statement of Project

Origin: D/No

Problem: To estimate the effect/diminution of exports of military supplies and equipment from the West to Sweden.

Scope: This study will consider the problem of Swedish procurement of military supplies and equipment in the face of diminished export from NATO powers; the effect which such a situation will have on the efficiency of the Swedish armed forces; the steps open to Sweden in solving the problem; and the effect of the resulting situation on US security.
